INTRODUCTION

When new adult Christians were baptised in the Early Church, the seven weeks after Easter – after their baptism – was a special time of deepening their faith. It was called a period of MYSTAGOGY, and it led up to the Feast of Pentecost. A special focus of this period involved coming to a deeper understanding of the role of the Holy Spirit in the life of the baptised and in the life of the Church.

The books of the bible that deal with the growth of the Early Church, under the power of the Holy Spirit, are

- (1) The Acts of the Apostles written by St Luke (who also wrote the Gospel)
- (2) The Letters of St Paul to the various Churches he helped establish.

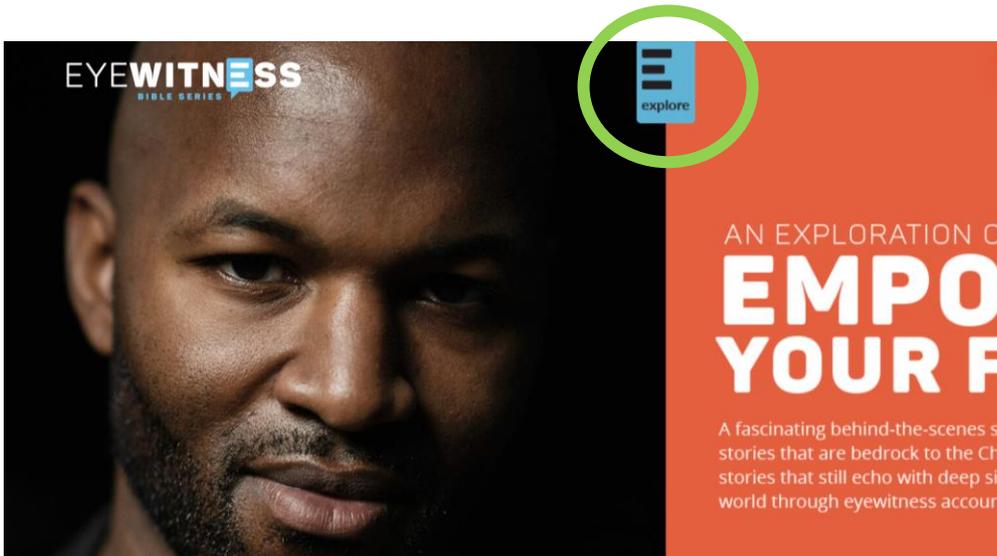

The parish is running a seven-week online course on the Acts of the Apostles and the Letters of Paul finishing on Friday 22nd May, before Pentecost Sunday 24th May 2026. It follows an online series called the EYEWITNESSES BIBLE SERIES. This course can be accessed online – computer, laptop or smartphone – and involves watching a short video of about 10-15 mins in length in which an actor plays a biblical character from the Acts of the Apostles or one of St Paul's letters.

This dramatic form helps to bring the scriptures to life and shows the many varied men *and women* whose lives were transformed by the power of the Holy Spirit and who were involved in leadership in the Early Church. You can also read the relevant chapter(s) in the Acts or the letters. All of this can be done at home and if you miss one day you can always catch up the next day or at the weekend. The timetable overleaf sets out a schema that you can follow, or you can draw up one that suits you better. Don't feel that you have to cover everyone, do what you can.

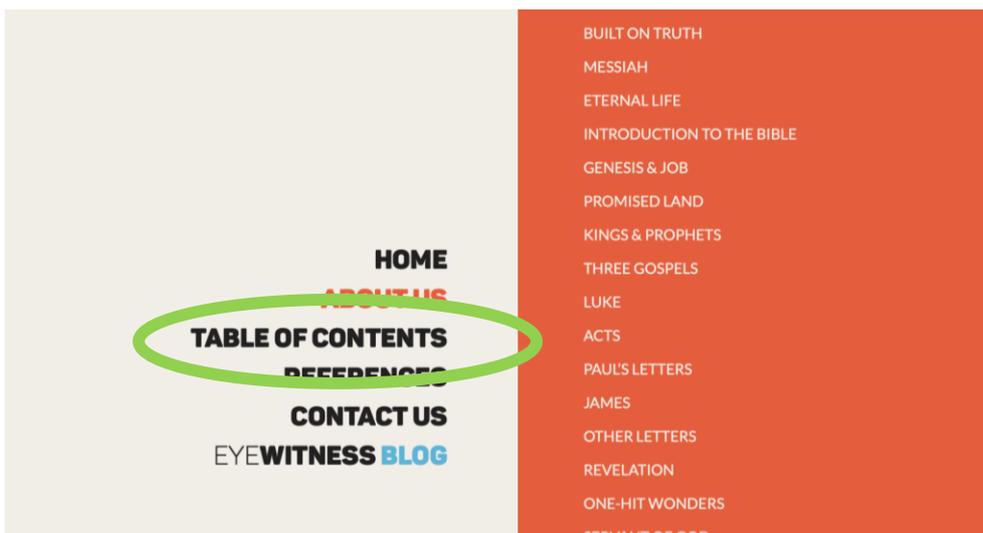

The course can be followed from home, however, you are welcome, if you can, to join a parish group meeting once a week in the Pastoral Centre on the Wednesday nights at 7pm. This will simply be a '*question and answer*' session, for about 1 hour, to help with any questions that may have arisen for you during the week. If you wish to join the group, please register on the parish website or phone the parish office so that we know the numbers attending.

To access the course, go the website **eyewitnessesbible.org**. and follow the STEPS outlined overleaf.
